

January 13, 2023
Bank of Japan
Financial Markets Department

**Addition to the Auction Schedule
of Outright Purchases of Japanese Government Bonds**

The Bank of Japan will conduct additional outright purchases of Japanese government bonds (JGBs) on January 16, 2023. The details including the purchase amounts will be decided based on market conditions and notified when conducting the operations.

The Bank will make nimble responses by conducting additional outright purchases of JGBs, taking account of market conditions.
